

4m Winch-up

The SoundKing 4m Winch Up Stand Medium Duty A multi-purpose winch-up stand, suitable for lighting, speakers or truss. A handy addition for touring, production, theatre and hire departments. The system allows heavy speakers to be easily raised, and the addition of a T-bar makes it ideal as a small lighting rig

- * Height: adjusts from 2.2m to 4m
- * T-Bar span: 1.3m
- * Load Capacity: 85Kg
- * Weight: 27Kg
- * Construction: Steel
