

H3 Hazer

H-3 is a top of the range water-based haze machine designed for the highly demanding professional market. It comes pre-built-in aluminium alloy flight case and can be stacked one on another. Robust yet compact size and lightweight, its ability to produce exceptionally fine atmospheric haze in a short period of time while operating at low noise levels makes it an ideal choice for rental houses, high-end bars, small shows, theatres and more.

Power supply system and output

Voltage	240V 50Hz	Tank Capacity	3.5 Ltr.
Power	1100W	Fluid Consumption	83 min./Ltr
Heat-up time	50 sec.	Liquid type	Water Base
Output	12,000 cu.ft/min.	DMX Personality	2 channel

Appearance parameters

Structure	Steel / Timber	Size	420 x 390 x 230mm
IP Rate	IP20	Net weight	18.5 Kg

Channel	DMX Value	Function
1	0 - 5	Off
	6 - 255	Fan output Low > High
2	0 - 5	Off
	6 - 255	Haze output Low > High
